

TREES OF LIFE

Patron Program

In missions, we spread many seeds of God's Word around the world! BNF cannot support missions as we do without the generosity of donors like you. Please consider becoming a Trees of Life patron.

TREES OF LIFE GIVING LEVELS

ACACIA: \$25/MONTH

The Acacia tree was used to build structural features of the Tabernacle. Every Seed gift is used to build the foundation of BNF to spread God's Word.

CEDAR: \$50/MONTH

The Cedar was noted to be very fragrant and resistant to damage. By helping BNF to be on mission you help others to resist the damage of this world.

CASSIA: \$100/MONTH

The Cassia tree was used as a sign of tithing. Missions giving is above the tithe and helps further the mission of God.

FIG: \$250/MONTH

The fig tree is mentioned numerous times in the Bible, usually as a sign of prosperity and plenty. This level of giving significantly supports missions through BNF.

DATE PALM: \$500/MONTH

Much like the largest native tree in Egypt, this is the highest among our Trees of Life program.

MUSTARD: \$__ /MONTH OR \$__ /ANNUALLY

We are called to have faith the size of a mustard seed. For each of us, this represents a different amount. God can work through donations of all sizes and magnify their value. The smallest seed grows into the largest tree.

GIFT DESIGNATIONS

- Annual BNF Summit
- BNF Educational Initiatives
- BNF General Fund
- Medical Mission Trips
- Missionary Nurse Support
- Student Nurse Opportunities
